NOTICE TO ALL MEMBERS OF THE PUBLIC

SUCCESSFUL CANDIDATES FOR THE POSITION OF FISHERIES OFFICERS AND CONSTABLE FISHERIES GUARDS

It has come to the attention of the office of the Director General that there are fake appointment letters being issued to unsuspecting candidates who were interviewed and those who did not qualify for the interviews to fill the above mentioned positions in Kenya Fisheries Service.

This is to inform members of the public that letters of appointment for the successful candidates whose names were posted on this website shall be issued to each candidate by the office of the Director General. The appointment letters can be collected by candidates from this office from Wednesday 30th June, 2021. The letters for those who will not manage to collect will be dispatched through their registered email addresses. Please note that no single letter has been released by the office of the Director General to successful candidates as at the date of this notice.

This is therefore a warning to members of the public that they should not fall prey to these fraudsters and should report such incidences to the nearest police station. Members of the public are advised that they should not to give out any bribe to any person promising to secure employment or issue appointment letters for employment at KeFS. Please be informed that soliciting for a bribe or giving a bribe is a crime under Kenyan law and is subject to prosecution.

Director General

29th June 2021
